

HCSC 2011 Pre-Season Newsletter

www.henrycountysaddleclub.net

Hello to everyone! We hope you all are ready to go this year! We want to let you know about some important dates for this show season and pass along some important information

Our annual Clean-Up Day will be held at 9am on Saturday, March 19th. We understand that this may be short notice for some of you. This blustery winter did delay our board meetings. Please bring some food to share if you can, along with your favorite tools and cleaning supplies. We do have some shingles that need replacing so if you have some experience in roofing, please plan on lending a hand there. This is a great opportunity to earn some of your work requirements! Hopefully we will have wonderful weather but, if not, we will reschedule for the following Saturday.

There have been some changes made to the work requirement rules. Be sure to read the information page in your 2011 book. Wade Smith will be in charge of work requirements. Jessica Hart will be heading our grounds committee. If you would like to mow and/or bush hog during the season, please join this committee. Jessica will need your contact information. She can be reached at (731) 514-3896.

I know you are all looking forward to the April Warm-Up show. This event will take place on Sunday, April 10th. Registration opens at 1:30 and the show will begin promptly at 2pm. Help us keep membership and sign-ups running smoothly by preparing your documents prior to the show. All forms can be retrieved from our website by following the "Forms" button. There will be no rain date for our warm-up show.

The Club will be selling T-Shirts, Tanks and Sleeveless T's this season! All profits from these sales are used to maintain our facilities. We are excited about seeing folks sporting our club logo everywhere they go! This sure helps spread the word about this fun hobby we all love so much. Order forms can be turned in at our shows.

We will also be having a fall club meeting and trail ride. All members are welcome to attend. This event will be held at LBL (Land Between the Lakes). Any concerns and suggestions from club members will be addressed at this meeting. Please join us for fellowship, fun and of course great things to eat! We all love to eat!

We look forward to seeing everyone again this year!
